

## **PROPOSED GOLF COACHING FOR STUDENTS**

To introduce Golf amongst the students from all Indian schools in Qatar, The Indian Sports Centre proposes to conduct an exclusive Golf coaching session for them as per the details indicated below:

- We intend to organize a Golf coaching camp for 10 students (Boys/Girls/Mixed) per batch at the Doha Golf Club in West Bay. Each batch will get 10 lessons of one hour each. The Training sessions will be conducted once every week during the weekdays (Sunday to Thursday) either from 5.30 PM to 6.30 PM or 6.30 PM to 7.30 PM as per students preference (subject to 10 students registered per batch per time slot). However if weekdays are inconvenient for the students, then it can be organized on Friday or Saturday morning or afternoon (subject to availability of coaches).
- All equipment for the training will be provided by Qatar Golf Academy (QGA). The student has to just come in collared T-shirt, Track Pants and Sports Shoes.
- The last session of the coaching will be a game of golf on the academy course with the coach.
- Students don't have to buy any equipment until they are ready to play on the golf course after the training. The Golf club will organize the sale of equipment to the students at 25% discount when the student needs it only after the training for continuing their Golf.
- The 10 lessons will be for one hour each, one day a week for 10 weeks. We propose to start the coaching camp from end March 2018 onwards, i.e. on just completion of their annual examination.
- The age of the students (Boys/Girls) shall be between 10 to 18 years. Coach will handle each student in the group as per his/her individual strength & weakness.
- If any student misses any coaching session, he will not get additional lesson to make up for the lost tuition, but will have to catch up in the remaining sessions.
- The coaching fee per student will be total QR 750 for 10 lessons (i.e. 10 weeks) to be paid in advance during enrolment.
